### Uvex® SVP400 Series

Stylish Simplicity

| SVP 400 SERIES SPECIFICATIONS              |                                                |
|--------------------------------------------|------------------------------------------------|
| Lens overall width                         | 5.63 inches (143mm)                            |
| Lens material                              | Polycarbonate                                  |
| Lens coating                               | Hard coat and Anti-Fog                         |
| Lens thickness                             | .090" (2.3 mm)                                 |
| Lens tints                                 | Clear, Gray, Silver Mirror, I/O                |
| Lens base curve                            | 9 Base                                         |
| Repl. lenses or foam frame available       | NO                                             |
| Rx capable                                 | NO                                             |
| Temple material                            | Polycarbonate                                  |
| Temple length                              | 5.35 inches (13.6cm)                           |
| Temple style                               | Straight Back                                  |
| Frame Material                             | Polycarbonate                                  |
| Frame colors                               | Clear, Gray, Silver Mirror, I/O                |
| Side shield material                       | N/A                                            |
| Dielectric                                 | NO                                             |
| Packaging (Spectacle/Goggle)               | Ind., 10/Stocker, 200/Case                     |
| Unit weight (Spectacle/Goggle)             | 0.04 lbs. (26.5 grams)                         |
| Ind. box-bag dimensions (Spectacle/Goggle) | 9.1" x 5.0" x 2.0" (23 x 13 x 5 cm)            |
| Ind. box-bag weight (Spectacle/Goggle)     | .07 lbs. (30 grams)                            |
| Stocker dimensions (Spectacle/Goggle)      | 11.2" x 7.1" x 3.9" (28.5 x 17.5 x 10 cm)      |
| Stocker weight (Spectacle/Goggle)          | .970 lbs. (.44kg)                              |
| Master Case dimensions (Spectacle/Goggle)  | 30.1" x 12.4" x 22.24" (76.5 x 31.5 x 56.5 cm) |
| Master Case weight (Spectacle/Goggle)      | 22.70 lbs. (10.3 kg)                           |
| Packaging (Repl. lens)                     | N/A                                            |
| Unit weight (Repl. lens)                   | N/A                                            |
| Ind. box-bag dimensions (Repl. lens)       | N/A                                            |
| Ind. box-bag weight (Repl. lens)           | N/A                                            |
| Stocker dimensions (Repl. lens)            | N/A                                            |
| Stocker weight (Repl. lens)                | N/A                                            |
| Case dimensions (Repl. lens)               | N/A                                            |
| Case weight (Repl. lens)                   | N/A                                            |
| Standards passed                           | ANSI Z87.1-2015                                |
